

Topsham Garden Club
2020 Garden Tending Schedule
(as of August 8, 2020)

The garden tending week runs from Saturday to Sunday.
The plastic bag with keys, nozzles, etc. is on Izza Johnson's back porch at 34 Elm Street in Topsham.

If you can fill any of the vacant slots, please contact Ann Williams
(akwilliams001@gmail.com or 207-373-1930)

If you need to reschedule, please find a substitute and alert Ann of the change.

We are in need of a scheduler – *someone to recruit members for garden tending
and to remind those who have signed up when their weeks are coming up.
It's an important job and a good one for a member who is unable to participate in tending the gardens.
Please contact Ann Williams to volunteer or for more information.*
