“Art in the Garden”

Please join us for the March Topsham Garden Club Meeting as our guest speaker takes us on an informative and inspirational journey discovering
“Art in the Garden”

Stephen B. Mohr, ASLA
Maine Licensed Landscape Architect
Mohr & Seredin Landscape Architects, Inc.
(207) 871-0003

Maine Licensed Landscape Architect practicing in Portland Maine, and a founding partner of [Mohr & Seredin Landscape Architects](#).

The talk will be about what may be considered a garden, the many forms that art can take in a garden, and it asks the audience to consider what is art, particularly as found in a garden. The talk is about a way of seeing gardens, and how we might define art in those spaces.
