

TOPSHAM GARDEN CLUB
LIBRARY DISPLAYS 2014-2015

(Revised 7/8/14)

- Deliver your display on the first or the month, or soon after.
- Pick up your display no later than the last day of the month so there is room for the incoming display.
- The display can be a live plant, a live floral arrangement, a silk floral arrangement, a twig, a vignette, etc. (Live is most welcome but not required.)
- Note: A live display does not have to last for the full month, but you need to remove it when it is spent.
- Must fit on the table to the right of the entrance doors.
- Must be non-controversial (no religious or partisan political displays, for instance)
- You must tend your live displays (watering, deadheading, etc.). The Library staff cannot do it for us.
- Please place our sign "Compliments of Topsham Garden Club" near the display. If it is missing, contact Alison Harris (729-0787 or alison@harbart.net)
