TOPSHAM GARDEN CLUB
LIBRARY DISPLAYS 2017-2018

- Deliver your display on the first of the month, or soon after.
- Pick up your display no later than the last day of the month so there is room for the incoming display.

Tuesday	9am - 8pm
Wednesday	9am - 8pm
Thursday	9am - 8pm
Friday	9am - 5pm
Saturday	9am - 4pm
Sunday & Monday	Closed

- The display can be a live plant, a live floral arrangement, a natural arrangement, a vignette, etc. (Please, no artificial flowers.)
- Note: A live display does not have to last for the full month, but you need to remove it when it is spent.
- Must fit on the round bookshelf directly in front of the entrance doors, or to the left over the book drop.
- Must be non-controversial (no religious or partisan political displays, for instance).
- You must tend your live displays (watering, deadheading, etc.). The Library staff cannot do it for us.
- Please place our sign "Compliments of Topsham Garden Club" near the display. Check with the library staff if it is not out. If it is missing, contact Alison (729-0787 or alison@harbart.net) for a new one.
