### Topsham Garden Club June Meeting

On Wednesday, June 12, 2013, the Topsham Garden Club will meet at the Topsham Public Library at 12:00 p.m. The program for this meeting is “Container Gardening with Imagination” presented by Elizabeth Rodenz. This program will demonstrate how to grow edible plants in containers, extending your garden space and growing season.

Elizabeth Rodenz, master gardener, has been gardening since the age of seven by her father’s side. Not until she moved to Maine with the short growing season did she discover the joy and benefits of container gardening—quite by accident through a twist of fate. Since then she has extended the bounty in her garden by using containers and is becoming a well-known speaker on the subject. She is a member of the Garden Club of Wiscasset and the Bath Garden Club.

Desserts and coffee will be served prior to the business meeting and the program begins at 1:30 P.M. You are welcome to bring a brown bag lunch if desired. This meeting is open to the public.
