"Gardens, Birds, and Other Wildlife"

with photo-journalist [Robin Robinson](#)

Wednesday, May 14, 2014

Maine scenic and wildlife imagery at its best!! Robin R Robinson is a photographer from Maine specializing in nature photography. As a writer, birder and gardener, Robin's mind is always on the natural world, even when under a roof. Read informative, original essays illustrated by the artist's photographs at <http://robins-chaos.blogspot.com> .!.

Robin's work has been featured in Downeast Magazine's and The Portland Press Herald, The Bangor Daily News, the Bath Brunswick Times Record, The Coastal Journal and The Wolf Moon Journal. Her photographs have been selected three times for the prestigious, juried Maine Photography Show. Her blog has been selected sixteen times as the Editor's Pick for the front page of Open Salon <http://salon.com/cover>). She has been a speaker, presenter and educator at the Capital Area Camera Club, York County Audubon, The Coastal Maine Botanical Gardens in Boothbay, garden clubs state wide and nationally, fund raisers, church groups and schools. HeMainer work has been regularly displayed in numerous galleries. .
