Dr. Paula Work is the Registrar and Curator of Zoology at the Maine State Museum. Dr. Work holds a Ph.D in, Geology (Quaternary Studies) from the University of Iowa and a B.S in, Biology from the University of Wisconsin at La Crosse. Dr. Work has spent many years in museums and in scientific work. Paula is instrumental in supporting the development of education programming and exhibits at the Maine State Museum.

Jennifer Dube is the Development Director of the Friends of the Maine State Museum and holds a B.A. in Journalism with a concentration in Marketing and Advertising from the University of Maine at Orono. Jennifer has a passion and a love for museums, having had her first date in a museum, and, married in a museum, Jennifer is passionate about helping to bring collections to life at the Maine State Museum through developing private support, necessary to support programming, collections care and new exhibit work at our Maine State Museum.

The Topsham Garden Club is a nonprofit organization with fifty members. We are affiliated with the Garden Club Federation of Maine. Members reside in Topsham and the surrounding communities such as Brunswick, Durham Bowdoin, Bowdoinham and Gardiner. The Club meets monthly year round with a different program offered each month. We maintain gardens at the Town Hall Complex, the Topsham Library, Topsham sign at Maine and Elm Streets, and the horse trough. We invite you to join this social and community oriented group.
