

Monthly Display for Inside Topsham Public Library 2013-2014

- Topsham Garden Club members sign up to provide displays at the library for the round counter just inside the entrance directly in front of the doors
- May be a live plant, a live floral arrangement, a silk floral arrangement, a twig, a vignette, etc.
- Must be non-controversial with no particular interest or affiliation
- You must also tend whatever you provide: watering, removing spent flowers/leaves, etc. (library staff does not do this)
- Place our sign "Compliments of Topsham Garden Club" near the display (check with library staff if it is not already on counter)
- The display does not have to last for the entire month if it is a fresh arrangement. Live plants and silk arrangements should last the month.
