Meeting adjourned at 2:05.

The program was by Jean Potuchek (<https://jeansgarden.wordpress.com>) on "Multiple Strategies for Organizing Gardening Information." Jean offered ideas to use (from photos to notebooks to calendars to spreadsheets to computer graphics) to record information about one's garden (from bloom times to "to do" lists to maps to watering schedules to planting dates to sun/shade areas.)

The thought is that any type of organization (based on one's skills, personality, and life style) will enhance the gardening experience by making it easier, lovelier and more productive. One should start with just one project from these ideas and let the process evolve and change.

Respectfully submitted,

Marie Neale  
Secretary

**TOPSHAM GARDEN CLUB  
TREASURER'S REPORT  
April 5, 2017**

Checking Account Balance (as of April 4, 2017)	<b>\$3,486.91</b>
Savings Account Balance (as of February 28, 2017*)	<b>\$2,510.37**</b>

*\* March 31, 2017 bank statement not received before meeting*

*\*\* The Savings Account balance includes \$1,500 for a "Rainy Day Fund," \$1,000 reserved for a capital gift for the Androscoggin Brunswick-Topsham Riverwalk, and interest earned.*

**Membership:** As of April 4, we have 46 members, including two new members who joined at our March meeting: Maryanne Lamont and Minka Wallis.

Dues (new or renewing members) for 2016-2017 were unchanged, as are dues for 2017-2018 as proposed in the budget: \$20 for an individual or \$30 for two members of the same household. Members joining December 1 or later pay half price until the April Annual Meeting when all dues collected will be applied to the following year. According to our By-Laws, dues are due by June 15.

**Activity:** I really will be making the remaining contributions approved in our annual budget later this month, following discussion today. That would be camperships for CREA and Bryant Pond 4-H Camp and an annual fund gift to Friends of Merrymeeting Bay. Our Friends of the Topsham Public Library renewal was paid last summer in time to sponsor the garden books table at the annual book sale.

**Non-Profit Status:** In mid-January 2017, the GCFM Assistant Treasurer added us to the list of clubs under the GCFM non-profit 501(c)(3) umbrella when she made her annual filing with the Internal Revenue Service. Having non-profit status means that donors can deduct their contributions to Topsham Garden Garden. It does not mean that we are tax-exempt. That requires a separate filing with the State of Maine, and we might need to be a 501(c)(3) organization in our name, not just under the GCFM umbrella.

Respectfully submitted,  
Alison Harris, Treasurer
