IN CONJUNCTION WITH TOPSHAM'S 250TH BIRTHDAY

**THE TOPSHAM GARDEN CLUB PRESENTS
A GARDEN TOUR OF FIVE BEAUTIFUL GARDENS AT HISTORIC PROPERTIES
SATURDAY, JUNE 28TH, 2014
10:00 UNTIL 2:00**

Garden 1: Located in the heart of the Historic District, this little garden room is packed with charm. Perched on a bank high above the Androscoggin, this would be the perfect place for summer dining.... or to enjoy a coffee.

Garden 2: Just across the street from Garden #1 in the Historic District, this magnificent yard is a must see. A vine draped pergola sets the tone. All gardens are a work in progress. In this garden, there has been a lot of work, and a lot of progress. Visitors will leave feeling inspired.

Garden 3: Where to begin... the majestic Cedar tree, the heirloom Seckel Pears with their contorted bark? Every year this homeowner asks himself, "Can I fit just one more plant here?" The answer is yes. If one were to see a fairy, it would be in this garden, also in the Historic District.

Garden 4: This lovely Foreside Road farm was settled in 1717 and it remains a working farm. During the year you can purchase fresh eggs and vegetables here. The truly impressive vegetable garden comes with a bonus, sweeping views of the Androscoggin.

Garden 5: On the Cathance Road, another very historic area of Topsham, with a truly lovely yard and garden. This is a must see.

This is a self-guided tour. It will be held rain or shine. No rain date, no refunds.

Tickets are \$10 each. Children 10 and under may attend free of charge. Attendees must have ticket in hand to be granted admission to the gardens.

Tickets available now at Parks & Rec Office in Topsham Town Hall, 100 Main Street, Topsham
On June 28th, tickets will be sold at 32 Elm Street in Topsham's Lower Village Historic District.

Humble Suggestions: Hats, sunscreen, bugspray, raingear, boots, umbrellas.

Attendee agrees to hold private landowners harmless and assume all risks associated with the Garden Tour, including but not limited to stairways, uneven ground, slippery areas and other hazards. Please be careful.
